WEATHERIZATION PROGRAM Up-Coming Training Announcement

Training Name: NEAT/MHEA Audit

Course Description:

Because of the class size, this 3-day course is a classroom-only training. (Note: Participants must have a working knowledge of energy audit procedures.) Participants will learn how to maneuver through the audit, how to complete the parameter setups, and how to input data in the audit. Participants will review necessary information for audit input and complete an audit on a house and a mobile home. Finally, participants will learn how to interpret audit output reports.

Participants must bring a notebook computer with WA V8.9 pre-loaded.

When: June 29 – July 1, 2015. Classes will begin at 1:00 pm on the 29th.

Where: Mid-Iowa Community Action (MICA) offices, 1001 S 18th Ave., Marshalltown. Agencies are responsible for making their own travel arrangements and room reservations.

Reimbursement: Agencies will use HEAP Training/Equipment funds to pay for staff training. State reimbursement funds are not available.

For more information: This announcement is only sent to agencies which indicated a need for this training. To confirm your agency's spot please e-mail Marcia Thompson at Marcia.Thompson@iowa.gov. No telephone calls please. *This training is approved for local agency personnel only.*
