The total of all payments to the eligible entity by the DCAA for the activities required under the eligible entity's CSBG contract shall not exceed the total budget unless modified by a budget amendment to the CSBG contract or by written notice of a funding change by the DCAA.

21.10(2) Budget deviations. Eligible entity expenditures that exceed budgeted cost category amounts will not be disallowed for payment solely because of minor deviations from the budgeted amount. However, any deviation exceeding 10 percent of the budgeted cost category amount shall require a budget amendment to the CSBG contract with prior approval granted by the DCAA.

21.10(3) Other amendments. Requests for community action plan or CSBG contract amendments other than those addressed in subrules 21.10(1) and 21.10(2), shall be considered on a case-by-case basis in conformance with applicable federal and state laws.

421—21.13(216A,PL97-35) Designating eligible entities for unserved areas. If any geographic area of the state is not, or ceases to be, served by a community action agency, and the Governor decides to serve such area, the DCAA will adhere to the requirements in section 676A of the CSBG Act, U.S. Department of Health and Human Services statutory guidance, and other federal and state laws to solicit applications from qualified organizations.

421—21.14(216A,PL97-35) Cost-reimbursement funding.

21.14(1) *Cost-reimbursement in general.* The Administrator of DCAA may initiate cost-reimbursement funding to an eligible entity if the DCAA determines that an eligible entity fails to comply with the terms of an agreement, or the state plan, to provide CSBG

services or to meet appropriate standards, goals, and other requirements established by the DCAA, including performance objectives. Action to initiative cost-reimbursement funding will only be taken after corrective action has been tried unless the Administrator of DCAA determines that immediate action is necessary due to the seriousness of the violations or is necessary to protect CSBG funds or property. Serious violations include, but are not limited to, allegations of fraud or abuse of CSBG funds or funds from closely-related programs.

21.14(2) *Written notification.* DCAA shall provide a written notification to the chairperson of the eligible entity's governing board to effectuate the cost-reimbursement procedures. b. The hearing may be conducted in whole or in part by telephone. When it is impractical for the state to conduct an in-person hearing, unless either party objects, a telephone hearing may be scheduled.

c. After the presiding officer has called the hearing to order, the parties may be given an opportunity to present opening statements; thereafter the parties shall present their evidence in sequence determined by the presiding officer.

d. When a witness is introduced to provide testimony or evidence in a contested case hearing, the witness shall, prior to testifying, be identified by name and address and shall take an oath or affirmation administered by the presiding officer.

c. A proposed or final decision shall include findings of fact and conclusions of law, separately stated. Findings of fact shall be based solely on the evidence in the record and on matters officially noticed in the record, and, if set forth in statutory language, shall be accompanied by a concise and explicit statement of underlying facts supporting the findings. Each conclusion of law shall be supported by cited authority or by reasoned opinion.

421—21.15(216A,PL97-35) Termination and reduction of funding. The DCAA may terminate the designation of or reduce the share of CSBG funds allocated to an eligible entity if the DCAA determines that an eligible entity fails to comply with the terms of an agreement, or the state plan, to provide CSBG services or to meet appropriate standards, goals, and other requirements established by the DCAA, including performance objectives. If the DCAA finds cause to terminate the designation or reduce funding of an eligible entity, the DCAA will adhere to the requirements in section 678C of the CSBG Act, U.S. Department of Health and Human Services statutory guidance, and other federal and state laws, including provisions of notification, technical assistance, corrective action, opportunity for a hearing, and federal review, to initiate proceedings to terminate the designation of or reduce the funding of the eligible entity.

421—21.16(216A,PL97-35) Client appeal and hearing. Eligible entities shall adopt a client appeal and hearing procedure to address CSBG client complaints. The procedure shall be used for all clients to file a complaint for the services and/or benefits provided by the

eligible entity and funded solely by the CSBG. The procedure shall also be used when a community action program, co-funded with the eligible entity's CSBG funds, does not have a community action program specific client appeal and hearing procedure.

421—21.17(216A,PL97-35) Further criteria. The Iowa CSBG State Plan and the Iowa CSBG Policy and Procedures Manual are incorporated by reference as part of these rules. If any rule in this chapter conflicts with federal law or rules, federal law or rules shall prevail.

These rules are intended to implement Iowa Code chapter 216A and PL97-35.

CHAPTER 22

LOW-INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)

421—22.1(216A,PL97-35,PL98-558) Purpose. Pursuant to the requirements of the U.S. Department of Health and Human Services (DHHS) and the Social Security Administration (SSA), as set forth in Title XXVI of the Omnibus Budget Reconciliation Act of 1981, PL 97-35 as amended by PL 98-558, and Iowa Code section 216A.92, the department of human rights (DHR), division of community action agencies (division), will administer the low-income home energy assistance program (LIHEAP).

LIHEAP is designed to aid qualifying low-income Iowa households (homeowners and renters) in the payment of a portion of their residential heating costs for the winter heating season, to encourage regular utility payments, to promote energy awareness and to encourage reduction of energy usage through energy efficiency, client education, and weatherization.

421—22.2(216A,PL97-35,PL98-558) Program eligibility.

22.2(1) Households with incomes at or below the annually determined guidelines, but not to exceed 150 percent of the federal poverty guidelines, or an amount equal to 60 percent of the State Median Income for the State, according to the U.S. Department of Health and Human Services (DHHS), and which is published annually in the Federal Register, may be eligible for assistance under LIHEAP. To receive benefits, an application must be made, eligibility determined, and program funds available before any payments may be made.

22.2(2) Proof of income eligibility is required. All income shall be verified for each household member based on the 30-day, 3-month, or 12-month period immediately preceding the application date or the most recent calendar year. Any individual listed on a LIHEAP-approved application for the current fiscal year may not be listed on another application.

22.2(3) Income criteria and guidelines are contained in the Iowa LIHEAP state plan and the Iowa LIHEAP Policy and Procedures Manual.

22.2(4) All payments are contingent upon the availability of federal funds.

22.2(5) The amount of assistance a household may receive is determined by a payment matrix that considers household income, household size, fuel type, and other targeting factors, as described in the current Iowa LIHEAP state plan.

22.2(6) Residents of publicly assisted housing units who are not billed directly for their primary heating source by a utility company and whose rent is established as a percentage of their income are not eligible for assistance.

22.2(7) All clients applying for this program will simultaneously be making application for weatherization assistance, and 421—Chapter 23 shall govern such weatherization applications.

22.2(8) Both owner-occupied and renter-occupied households will be assisted.

421—22.3(216A,PL97-35,PL98-558) Local administering agencies.

22.3(1) The department of human rights shall administer the LIHEAP program by contracting with local administering agencies (LAAs) meeting program and fiscal guidelines as required by federal law. Contracts with the LAAs will specify required and allowable program activities, including DHHS regulations, special conditions, transfer of electronic data to fuel vendors and the state, program and fiscal reporting to department of human rights, and audit requirements.

22.3(2) Each LAA will conduct outreach activities to ensure that eligible households are made aware of the program. In addition to its normal outreach functions, each LAA will

authorize its workers to take applications in an applicant's home as well as at local community, church, elderly centers, and other locations deemed appropriate. Applications may be made by mail. A notice of the appeal and hearing procedure must be posted at each intake site, and a copy of the appeal and hearing procedure and any other state-required handouts must be given to each client at the time of application.

421—22.4(216A,PL97-35,PL98-558) Application period. The application period for the program is between October 1, or the first working day of October, and April 30, or the last working day of April, or as defined in the annual Iowa LIHEAP State Plan.

421—22.5(216A,PL97-35,PL98-558) Payments.

22.5(1) The following types of energy assistance payments may be made:

a. To home energy suppliers on behalf of eligible households. The client's assistance shall remain as a credit on the client account until the program assistance is expended or the account is terminated.

b. Eligible households that pay an undesignated portion of the rent toward energy costs will receive assistance sent directly to the secondary vendor.

c. Direct payments may be made to eligible households as outlined in the Iowa LIHEAP Policy and Procedures Manual.

22.5(2) Duplicate and fraudulent payment control. Each LAA is required to monitor and prevent possible duplicate and other fraudulent applications and payments. Duplication cross-checks shall be based on household members' names, addresses and social security numbers, as well as vendor account numbers.

22.5(3) Referrals. Each LAA is required to refer all suspected cases of fraud, including duplicate payments, overpayments, and fraudulent statements on applications, to the division for investigation.

421—22.6(216A,PL97-35,PL98-558) Change in status. The level of assistance for the program year will be determined based on the household's circumstances at the time of

approval. If a household moves or ceases to exist, any unused funds remaining with the vendor shall be returned to the local administering agency within 30 days. If the client contacts the local administering agency within 45 calendar days after moving, any unused portion of the assistance award shall be forwarded to the client's new vendor or to the client's address. If the client fails to notify the agency of the new address within 45 calendar days, any unused funds returned to the local administering agency shall be returned to program funds.

421—22.7(216A,PL97-35,PL98-558) Vendor agreement. A signed utility vendor agreement must be on file with the LAA before payments may be made to the vendor. If a fuel supplier does not sign a vendor agreement, a direct payment may be made to the eligible applicant. In cases where a vendor has not complied with all provisions of the vendor agreement, the state may approve direct payments to clients as an alternative.

421—22.8(216A,PL97-35,PL98-558) Crisis assistance. To be eligible for crisis assistance, a household must file an application, meet the income guidelines of LIHEAP, and meet the definition of an "energy crisis".

22.8(1) Definition. "Energy Crisis" means weather-related and supply shortage emergencies and other household related emergencies, as defined in the current Iowa LIHEAP State Plan, including: non-working heating system, temporary need for alternate shelter, disconnected from utility service, disconnection from utility service imminent, empty propane tank, tank less than 20% remaining, and when medically necessary, a window air conditioning unit or repair of existing central air unit.

22.8(2) Evaluation. Each crisis application will be evaluated individually by the LAA who shall determine the appropriate resolution and the amount of assistance to be provided, as defined by the current Iowa LIHEAP State Plan and Iowa LIHEAP Policy and Procedures Manual. Assistance may include payment to ensure an uninterrupted supply of fuel, repair or replacement of furnace/heating systems, obtaining temporary shelter, purchase of blankets

or heaters, and bill payment buy-down to avoid disconnection or to ensure reconnection.

22.8(3) Resolution. Federal regulations require that a life-threatening situation be evaluated and resolved in the following manner:

a. Not later than 48 hours after a household applies for energy crisis benefits, each administering agency must provide some form of assistance that will resolve the energy crisis if such household is eligible to receive such benefits;

b. Not later than 18 hours after a household applies for crisis benefits, each administering agency must provide some form of assistance that will resolve the energy crisis if such household is eligible to receive such benefits and is in a life-threatening situation

22.8(4) Appeal procedure. Any household which has been denied crisis assistance may utilize the LIHEAP appeal procedure as described in Section 10.14.

421—22.9(216A,PL97-35,PL98-558) Client services/assessment and resolution. Client services for assessment and resolution of energy management problems, including budget counseling, energy education, arranging deferred or budget payments, staying disconnects or negotiating payments or reconnections, will be made available to all energy assistance recipients on a year-round basis.

421—22.10(216A,PL97-35,PL98-558) Appeal and hearing procedures. The following appeal and hearing procedures shall be used.

22.10(1) An applicant may initiate an appeal if the application was denied, or incorrect facts or improper procedures were used to determine eligibility, assistance amounts, or services, the applicant has 30 calendar days from the date of the approval or denial letter to appeal that decision by mailing or delivering the request for appeal to the LAA at which the application was made.

22.10(2) If the local administering agency neither approves nor denies the application within 30 calendar days of receipt of a complete application, the applicant may treat the failure to act as a denial. The applicant then has 30 additional calendar days to appeal.

22.10(3) To appeal, the applicant (claimant) must submit a written appeal to the LAA at which they applied, and include the action the applicant would like taken, and any other information which might affect the decision. Those claimants unable to read or write shall have the LAA assist them in reading, writing, or understanding appeals, hearings, and their associated procedures.

22.10(4) The LAA will act on the claimant's request and notify the claimant of the result in writing within seven calendar days of the date an appeal was requested (postmark date if sent in mail).

22.10(5) If the claimant does not agree with the decision reached, the claimant may write the LAA within 14 calendar days of the decision (postmark date if sent in mail) and request that a state hearing be held with the DCAA. The claimant must explain in writing why the agency's decision is being appealed and include any information which might affect the decision.

22.10(6) The LAA will forward all information about the request for a hearing to the DCAA and a hearing will be scheduled within 14 calendars of receipt of the appeal and request for a hearing. The claimant will receive written notice of a state scheduled hearing division. The notice will include the date, time, and place of the hearing. State hearings may be held by telephone at a mutually convenient time or in person. During the hearing, all information will be reviewed and a decision will be rendered by the division within 7 calendar days.

22.10(7) The client may appeal the decision of the division to the Iowa department of inspection and appeals. The client must submit a written appeal to the division within 7 calendar days (postmark date if sent in mail) of receiving the division's decision. The division will follow the appeal procedures outlined in 481 – Chapter 10.-

Appeals for quality of work performed shall be subject to warranty requirements of the LAA and its subcontractors.

23.6(2) If the LAA neither approves nor denies an appeal within 30 calendar days of receipt, the applicant may treat the failure to act as a denial. The applicant then has 30 additional calendar days to appeal.

23.6(3) To appeal, the applicant (claimant) must submit a written appeal to the LAA at which they applied, and include the action the applicant would like taken, and any other information which might affect the decision. 25.2(1) *Operating organization.* The investment account shall be established through an operating organization.

At least 85 percent of the funds appropriated to the fund shall be used for state match payments, and the remainder may be used for the administrative costs of the operating organization. Interest or earnings on moneys deposited in the fund shall be credited to the fund. Notwithstanding Iowa Code section 8.33, moneys appropriated to the fund shall not revert to any other fund.

421—25.4(541A) Eligibility, state match payments and state tax provisions.

25.4(1) Eligibility based on countable household income level. Eligibility shall be based on the account holder's household income for the calendar year preceding the calendar year in which the IDA will be opened. The household income shall not exceed 200 percent of the federal poverty level as published in the same year. If an account holder's household income exceeds 200 percent of the federal poverty level in any subsequent year following the year that the account holder established the account, the account shall remain open, but the account holder shall not be eligible to receive the state savings match payment for deposits made during the year following the year when the household income exceeds 200 percent of the federal poverty level. If the prospective account holder files an income tax return on a fiscal-year basis, the household income must nonetheless be computed on a calendar-year basis.

25.4(2) Countable household income. The household's countable income shall be the Iowa net income as defined in Iowa Code section 422.7 with the following inclusions and exclusions:

a. Inclusions to the extent not already included in Iowa net income are as follows:

(1) Capital gains.

(2) Alimony.

(3) Child support money.

(4) Cash public assistance and relief, except property tax relief under Iowa Code chapter 425, division II.

(5) The gross payment amount of any pension or annuity including, but not limited to, railroad retirement benefits.

(6) Military retirement and veterans' disability pensions.

(7) Interest which is received from local, state or federal government securities.

(8) Workers' compensation.

(9) The gross amount of disability income or "loss of time" insurance.

b. Exclusions are as follows:

(1) Gifts from nongovernmental sources.

(2) Surplus foods, including food assistance.

(3) Payments received by an individual under the age of 18 under the federal Social Security Act.

(4) Other in-kind relief supplied by a governmental agency.

c. Income shall not be reduced by either a net operating loss carryover or by a capital loss carryover.

25.4(3) *Determination of income status and eligibility.*

a. In lieu of calculating countable household income as provided in subrule 25.4(2) to determine income status and eligibility of an individual to hold an IDA, the operating organization may use evidence of the individual's enrollment in a program with income eligibility restrictions that are equal to or less than the maximum household income provided in subrule 25.4(1) as sufficient for determining an individual's eligibility to hold an IDA.

b. In order to determine the amount of countable household income of the individual seeking to open an IDA and to maintain household income records on an annual basis, the operating organization shall use any of the following methods or other methods deemed appropriate by the operating organization to obtain accurate income information:

(1) The operating organization shall ask both the individual who wishes to establish an IDA and other members of the individual's household who have filed federal or state income tax returns to furnish a copy of the returns with attached W-2 statements, to sign a release of information form permitting the operating organization to receive from the Iowa department of revenue summary information indicating the Iowa net income, or to receive a copy of the state income tax return for the specific calendar year used to establish income eligibility to participate in the IDA program and for specified successive calendar years during which the IDA account is open. The operating organization shall protect the confidentiality of this information.

(2) If the individual and members of the individual's household have not filed federal or state income tax returns for the calendar year used to determine eligibility, the operating organization shall ask the individual to provide copies of available financial records of the household to determine the amount of countable income for the calendar year used to determine eligibility.

(3) The operating organization may also ask the individual seeking to hold an IDA to sign a release of information form allowing the operating organization to obtain individual and household income records held by agencies administering the programs as referenced in paragraph 25.4(3) "a" above. The operating organization shall use this information to verify and maintain household income records of individuals seeking to hold an IDA, thereby facilitating the administration of the IDA program. The operating organization shall maintain the confidentiality of this information. Countable household income determinations shall include the amount of the cash assistance provided through the programs referred to in paragraph 25.4(3) "a."

(4) If an individual has minimal or no financial records and the operating organization determines that the totality of the individual's circumstances corroborates a credible explanation for the absence of said records, the operating organization may accept a written self-declaration from the individual as sufficient to document initial income eligibility to hold

an IDA.

c. The operating organization shall obtain and maintain income information records from the account holder and all members of the account holder's family on a yearly basis to determine continued IDA eligibility.

25.4(4) Exemption from income tax for income earned on assets in an IDA. Income earned on principal in an IDA shall be exempt from state income tax even if the account holder's household income is greater than 200 percent of the federal poverty level for the tax year.

25.4(5) State match payments. The operating organization shall determine the account holder's countable household income and account deposits on an annual basis for the purpose of computing the state match payment. The operating organization shall file with the division a claim for a state match payment on behalf of the account holder by April 30 of the year following the year in which the account holder made deposits into the IDA. The claim shall be filed on a form provided by the division. The division shall make a payment of a savings match on a 1:1 ratio on amounts of up to \$2,000 that an eligible account holder deposited in the account holder's account the previous year. The total state savings match for all years shall not exceed \$2,000 for any IDA. Neither the moneys transferred to an IDA from another IDA nor the state match received by the account holder pursuant to this subrule shall be considered an account holder deposit for purposes of determining a state match payment. The division or operating organization shall make the state match payment directly to the IDA in the manner deemed appropriate by the division.

25.4(6) Tax implications. IDAs shall be subject to department of revenue rule 701—40.44(422,541A).

421—25.5(541A) Requests for proposals—operation of IDAs.

25.5(1) Issuance of requests for proposals. The division shall issue requests for proposals (RFPs) for operating organizations interested in operating an IDA program. The RFP shall require the operating organization to provide information in its proposal regarding the

financial institution that the operating organization will use for the proposed IDA program. The division shall include such information in evaluating proposals submitted in response to the RFP.

25.5(2) *Review criteria used to evaluate and select proposals responding to the RFP.* The division shall evaluate and select proposals submitted by operating organizations in response to the RFP based upon, but not limited to, the criteria as provided in the RFP and the following criteria, which shall be ongoing responsibilities of the operating organization:

a. The project shall provide for a safe and secure investment mechanism for IDAs using a financial institution approved by the division. This provision shall include assurances to contributors that a process is in place to ensure that contributions will be used for approved purposes as provided in subrule 25.6(1).

b. The proposed project shall link the making of an account holder's contributions to an IDA with other services provided by or outcomes identified by the operating organization in the proposal. The proposed project shall include mechanisms for the operating organizations to monitor and enforce the identified outcomes and services.

c. The operating organization shall provide documentation establishing experience and ability to execute the project as proposed. Minimum capabilities shall include: an ability to provide financial education including asset-specific education, ability to link with tax preparation assistance, familiarity and ability to work with the proposed target population, and a strong record of successful management.

d. The operating organization's proposal shall include a commitment by the operating organization to provide independent matching funds for contributions made by account holders to an IDA on not less than a 1:1 ratio.

e. The proposal shall include a monitoring and evaluation plan for certifying the proposed project's outcomes.

f. The proposal shall include agreement and acknowledgment by the operating organization that it shall have ongoing responsibility for:

(1) Certifying that an investment account is an IDA based on its having the characteristics described in Iowa Code section 541A.2.

(2) Certifying annually the income eligibility of each account holder and the amount of contributions made by the account holder to the IDA during the preceding tax year, in order to determine the account holder's eligibility for the state match payment for such year.

(3) Recording annually the contributions made by the account holder, individual and charitable contributors, and the state.

(4) Submitting information regarding the IDA and account holders to the division as requested.

25.5(3) *Additional evaluation criteria in the RFP.* The division may include additional evaluation criteria in the RFP including, but not limited to: ability to network with other agencies or to form a communitywide consortium of agencies, if desirable, to operate IDAs; ability to form an effective working relationship with banks or other financial institutions; and ability to raise funds to provide an independent match on account holder deposits.

25.5(4) *Other considerations and guidelines.* Other considerations and guidelines in implementing IDAs are:

a. The division shall have authority to designate and limit the number of locations where IDA projects shall be implemented, taking into account demographic characteristics and geographic considerations.

b. The division shall require all IDA operating organizations and projects to comply with any federal individual development account program requirements for drawing federal funding.

c. The division and the operating organization shall enter into an agreement that specifies the responsibilities of both parties, which agreement shall incorporate by reference the provisions of the RFP.

d. The operating organization shall maintain a clear and precise audit trail of all deposits and withdrawals of funds in IDAs. All withdrawals from an IDA shall require a signature of

approval from the operating organization. Upon the termination of the agreement between the operating organization and the division or upon the discontinuance of the IDA program for any reason, the IDA accounts under the management of that operating organization shall terminate and the funds in the IDAs shall be distributed to the account holders, unless the operating organization and a successor operating organization located in the same geographic area and operating an IDA program approved by the division enter into an agreement for the transfer of IDA accounts to the successor operating organization. The division shall have authority to review and approve in advance the agreement between the two operating organizations.

e. Upon the termination of an operating organization's relationship with the financial institution holding its IDA accounts, the operating organization managing the accounts shall enter into an agreement with a division-approved successor financial institution to hold the accounts and shall arrange for the transfer of the accounts to the new financial institution. The new agreement shall be subject to the division's review and advance approval.

f. If an account holder moves to another location in the state not served by the operating organization but which is served by another operating organization with a division-approved IDA program, the original operating organization shall arrange for the transfer of the account to a financial institution that has an agreement with the operating organization in the new location. If there is no operating organization in the new location, the IDA account shall be closed, with funds in the account distributed to the account holder; alternatively, the operating organization and the account holder may jointly agree to maintain the account under the management of the existing operating organization and financial institution. The operating organization shall provide a written notification to the division of all transfers of IDA accounts to the management of a new operating organization.

421—25.6(541A) Authorized withdrawals of principal and income.

25.6(1) *Approved purposes for withdrawal of funds from an IDA.* An account holder may

withdraw principal and income earned on principal from an IDA only with the written approval of the operating organization and only for the following approved purposes:

a. Educational costs at an accredited institution of higher education, which costs include, but are not limited to, tuition, laboratory fees or other fees for use of facilities, books and other supplies.

b. Training costs for an accredited or licensed training program, or training program approved by the division, which costs include, but are not limited to, tuition, laboratory fees or other fees for use of facilities, books and other supplies.

c. Purchase of a primary residence.

d. Capitalization of a small business start-up.

e. An improvement to a primary residence which increases the tax basis of the property.

f. Emergency medical costs for the account holder or for a member of the account holder's family. However, only one withdrawal from an IDA can be made for this purpose, and the amount of the withdrawal shall not exceed 10 percent of the account balance at the time of the withdrawal.

g. Purchase of an automobile.

h. Purchase of assistive technology, home or vehicle modification, or other device or physical improvement to assist an account holder or family member with a disability.

25.6(2) *Conditions on withdrawals of principal and income.* An account holder may withdraw funds from the account holder's IDA subject to the following conditions:

a. Any amount of principal and income earned on principal, provided the sum is authorized under subrule 25.6(1) and in accordance with the procedure for authorized withdrawals set forth under subrule 25.6(3).

b. If the account holder is 59½ years of age or older, any amount of principal and income earned on principal. Such withdrawals shall not require the approval of the operating organization.

25.6(3) *Procedures for account holder deposits and withdrawals.* The following

procedures (or such other procedures as agreed upon by the operating organization and financial institution to facilitate authorized withdrawals) shall apply to account holder deposits and withdrawals from an IDA:

a. For deposits, the account holder shall fill out and sign a deposit form provided by the operating organization, indicating the amount and date of a deposit by the account holder into the IDA and shall submit the form to the financial institution. The form shall be signed by the financial institution, which shall send copies to the account holder and the operating organization.

b. For a withdrawal, the account holder shall fill out and sign a withdrawal form provided by the operating organization, indicating the amount, date, and the purpose of the withdrawal. The account holder shall submit the form to the operating organization or its designated agent for approval and signature. The operating organization shall retain a copy and submit the withdrawal form to the financial institution to implement the electronic transfer of the funds or issuance of a check, payable to the account of the vendor as payment for an approved purpose for the withdrawal; or, if neither electronic transfer nor check issuance is possible or cost-effective, then the financial institution shall issue a two-party payee check made out to the account holder and to the vendor. If the approved purpose is for capitalization of a small business, the check shall be payable to the account holder's business account at a financial institution and to the vendor requiring payment for providing the service or product relative to the account holder's business.

421—25.7(541A) Notice of nonapproved withdrawals and closure of the account.

25.7(1) *Nonapproved withdrawals and attempted withdrawals for nonapproved purposes.*

The financial institution shall notify the operating organization within five calendar days of any withdrawals or attempted withdrawals that appear to be nonapproved. The financial institution shall refuse to release any funds that do not have the written authorization of approval from the operating organization.

25.7(2) Closure of an IDA by the operating organization. The operating organization may close an IDA if the operating organization determines any of the following:

a. The account holder has withdrawn funds from the account for a purpose not authorized by subrule 25.6(1), or funds have been withdrawn under false pretenses and have been used for purposes other than for the approved purposes indicated at the time of the withdrawal.

b. There has been no activity in the IDA during the preceding 12 months.

c. The account holder has not complied with terms of an IDA participation agreement between the account holder and the operating organization, after being provided notice of the requirement to comply with the agreement by the operating organization.

421—25.8(541A) Transfers of assets of an IDA.

25.8(1) Transfers by an adult account holder. An adult account holder may transfer all or part of the assets in the adult account holder's IDA to any other account holder's IDA. Upon compliance by the operating organization and financial institution with the requirements of rule 421—25.6(541A), IDA account holders who have transferred funds into another individual's IDA account and any beneficiaries of the transferee's IDA account shall sign a waiver of liability form releasing the operating organization and the financial institution from civil liability and responsibility for the wrongful withdrawals of funds by the account holder due to the account holder's false representation of the purpose of the withdrawal, resulting in the loss to the account balance of deposited principal funds, including individual and charitable contributions, transferred funds, and the state match payments.

25.8(2) No transfers of assets from a minor account holder's IDA. Neither a minor account holder nor the parents or legal guardian of such minor account holder shall have the right or ability to transfer assets from the minor account holder's IDA to the IDA of any other account holder.

25.8(3) Transfers when the account holder dies. At the time an IDA is established, the account holder shall name a contingent beneficiary(ies) or an account holder transferee to

whom the assets of the account holder's IDA shall be transferred upon the account holder's death. Upon the account holder's death, the account assets shall be transferred to the named contingent beneficiary or to the transferee's IDA, as applicable. A named beneficiary or transferee may be changed at the discretion of the account holder. If the named beneficiary or transferee is deceased or otherwise does not accept the transfer, the assets of the deceased account holder's IDA shall be transferred to the IDA state match fund.

for greater accountability in the juvenile justice system; promote positive youth development; and comply with the JJDP A core requirements regarding the deinstitutionalization of status offenders, sight and sound separation of adults and juveniles in secure facilities, prohibitions on the use of adult jails to hold juveniles, and the disproportionate confinement of minority youth.

31.4(3) *Content of applications.* Required elements of the applications shall be published in the request for applications and shall be based on a point system established by the division that reflects the requirements of federal and state funding sources. The division shall develop the application and selection criteria.

31.4(4) *Application review and selection process.* The division shall conduct a preliminary review of each application to ensure that the applicant is eligible and the application is complete. All applications that are submitted in a timely manner by eligible applicants and contain the necessary information shall be presented to the grant review committee. Members of the grant review committee shall review each application and shall assign numerical scores to each application using criteria and point values established by the division and listed in the request for applications. 421—31.5(216A,232,PL93-415) Formula-based allocations.

31.5(1) *Funding recipients.* Only units of local government, local public planning entities, and judicial districts may be considered eligible applicants to receive funding through this distribution method. The determination of which units of local government, local public planning entities, and judicial districts are eligible applicants shall be made according to the state or federal law or regulation that makes funding available to the division for this distribution method. When such a determination is not established in law or regulation, the administrator shall make the determination with the advice of the appropriate council or the JJAC.

31.5(2) *Formula to determine individual allocation amounts.* Allocation amounts to individual units of local government or local public planning entities shall be calculated according to the state or federal law or regulation that makes funding available to the division for this distribution method. When an allocation formula for funding to be distributed by the division is not established in this chapter or other law or regulation, the division shall calculate allocations based on a formula determined by the administrator. The formula shall be based on the number of children residing in the respective areas and may also be based on poverty rates, delinquency rates and other data relevant to child and family well-being. Application materials provided to the eligible units of local government, local public planning entities, or judicial districts shall specify the formula used to calculate the allocation.

31.5(3) *Application procedures and requirements.*

a. Each unit of local government, local public planning entity, or judicial district that is eligible to be an applicant for funds pursuant to subrule 3.5(1) shall be contacted by the division and provided an application that must be completed by the applicant prior to the applicant's receipt of the allocation.

b. The application may require the submission of a comprehensive plan to prevent and reduce juvenile crime that reflects the purposes and goals in rule 421—3.2(216A,232) and that structures the coordination and collaboration of other relevant community programs and activities. Evidence of such coordination and collaboration may be required to include assurances and documentation that the plan for this program was developed to include, or be an integral part of, other area-wide plans related to, for example, child welfare, substance abuse, health, or education.

c. The application may require documentation that the application was completed with the participation of representatives from, for example, law enforcement, county attorneys, county and city governments, and health, human services, education and community service agencies.

d. The application may also require the applicant to certify and make assurances regarding policies and practices related to, but not limited to, funding eligibility, program purposes, service delivery and planning and administration capacities.

e. Each notified applicant shall submit the required information by the deadline established and announced by the division. The division reserves the right to extend the deadline.

f. Following its receipt and approval of a completed application, the division shall offer the applicant a contract authorizing the obligation of funds. These rules and all applicable state and federal laws and regulations shall become part of the contract by reference.

As allowed by federal or state law, the division may permit an eligible unit of local government to waive its right to a direct allocation and request that its allocation be awarded to and expended for its benefit by a larger or contiguous unit of local government or local public planning entity. A written waiver shall be required from the unit of local government that waives its right to a direct allocation and names a requested unit of local government or local public planning entity to receive and expend the funds. The unit of local government, judicial district, or local public planning entity receiving the funds must agree, in writing, to accept the redirected funds, to carry out all planning and application requirements and to serve as the fiscal agent for receiving the waived allocation. The division's instructions to eligible applicants shall describe the procedures required to implement this subrule.

c. As allowed by federal or state law, the division may permit applicants to enter into regional coalitions by planning for and utilizing combined allocations from the participating units of local government or local public planning entities. A unit of local government, judicial district, or local public planning entity shall serve as the applicant and fiscal agent for purposes of carrying out planning and application requirements, and for receiving the allocation and obligating and expending funds for the benefit of the combined units. The division's instructions to eligible applicants shall describe the process to implement this subrule.

421—31.6(216A,232,PL93-415) Sole source contracts. The division may determine, because of the nature of a certain problem or desired programmatic response, that a competitive grant or formula-based allocation process would not be the most appropriate or expeditious process through which to award funds. In such cases, the division may seek out

a potential subgrantee with which it can develop a sole source contract for services. The division shall be alert to organizational conflicts of interest and noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. The division's awarding and administration of any sole source contract shall be governed by all relevant state and federal laws and regulations.

31.7(2) Other funds. With the advice of the JJAC and the councils, the division shall, consistent with applicable state and federal law and regulation, determine the distribution methods, eligible applicants and any allocation formulas to be used when making such funding available.

421—31.8(216A,232) Appeals.

31.8(1) Applicants choosing to appeal funding decisions must file a written appeal with the administrator within ten calendar days of the written notification of the program's funding decisions.

31.8(2) All letters of appeal shall clearly state the reason(s) for the appeal and evidence of the reason(s) stated. Reason(s) for appeal must be based on a contention that the rules and procedures governing the funding process have not been applied properly. All appeals must clearly state in what manner the division failed to follow the rules of the selection process as governed by these administrative rules or procedures outlined in the application materials provided to all applicants by the division. The letter of appeal must also describe the remedy being sought.

31.8(3) If an appeal is filed within the ten calendar days, the division shall not enter into a contract with any applicant involved in the application process being appealed until the administrator has reviewed and decided on all appeals received in accordance with the criteria in subrules 31.8(1) and 31.8(2). The division administrator shall consider the information submitted by the appellant and relevant information from division staff when conducting the review. The review shall be conducted as expeditiously as possible so that all funds can be distributed in timely manner.

31.8(4) The decision of the division administrator shall represent the final division action for the purpose of implementing Iowa Code chapter 17A.

421—31.9(216A,232) Contract agreement.

31.9(1) *Contract offer.* Applicants shall be notified in writing of the division's intent to fund, contingent upon the funds available. The administrator shall have flexibility in determining which state and federal funds shall be utilized in awards and allocations to subgrantees. These rules and all applicable state and federal laws and regulations become a part of the contract by reference.

31.9(2) *Preaward negotiation.* The applicant may be requested to modify the original application in the negotiation process. The division reserves the right to fund all or part of the applicant's application.

31.9(3) *Withdrawal of contract offer.* If the applicant and the division are unable to successfully negotiate a contract, the division may withdraw the award offer and redistribute program funds in a manner consistent with the provisions of rule 421—3.14(216A,232).

31.9(4) *Contract modifications.* The subgrantee or the division may request a modification or revision of the contract.

31.9(5) *Reimbursement of expenditures.* Funds are to be spent to meet program goals as provided in the contract. Expenditures shall be reimbursed pursuant to regular reimbursement procedures of the state of Iowa.

421—31.10(216A, 232) Contract termination.

31.10(1) *Termination by subgrantee.* The contract may be terminated by the subgrantee at any time during the contract period by giving 30 days' notice to the division.

31.10(2) *Termination by the division.*

a. The division may terminate a contract upon ten days' notice when the subgrantee or any of its subcontractors fail to comply with the grant award stipulations, standards or conditions. The division may terminate a contract upon 30 days' notice when there is a reduction of funds by executive order.

b. Termination for convenience. The performance of work under the agreement may be terminated by the division in accordance with this clause in whole or, from time to time, in part whenever the division shall determine that such termination is in the best interest of the state. The division shall pay all reasonable costs associated with the agreement that the subgrantee has incurred up to the date of termination. The division shall not pay for any work that has not been done prior to the date of termination.

c. Termination for default. If the subgrantee fails to fulfill its obligations under this agreement properly or on time, or otherwise violates any provision of this agreement, the division may terminate the agreement by written notice to the subgrantee. The notice shall specify the acts of commission or omission relied on as cause for termination. All finished or unfinished products and services provided by the subgrantee shall, at the option of the division, become the state's property. The division shall pay the subgrantee fair and equitable compensation for satisfactory performance prior to receipt of notice of termination.

31.10(3) *Responsibility of subgrantee at termination.* Within 45 days of the termination, the subgrantee shall supply the division with a financial statement detailing all costs up to the effective date of the termination.

421—3.11(216A,232) Required reports.

31.11(1) Expenditure claim reports shall be required from subgrantees on provided forms. The division, pursuant to regular reimbursement procedures of the state of Iowa, shall

reimburse subgrantees for actual expenditures specified in the approved budget.

31.11(2) Progress reports on program outcomes, program status and financial status shall be required from subgrantees on provided forms.

31.11(3) Other reports, including audit reports prepared by independent auditors, may be required by the division and specified in the request for applications or contract to assist in the monitoring and evaluation of programs.

31.11(4) Failure to submit required reports by the due date shall result in suspension of financial payments to the subgrantee by the division until such time as the reports are received. No new awards shall be made for continuation programs where there are delinquent reports from prior grants.

421—3.12(216A, 232) Subgrantee records. Financial records, supporting documents, statistical records and all other records pertinent to the program shall be retained by the subgrantee in accordance with the following:

421—31.13(216A, 232) Allowable costs and cost restrictions.

31.13(1) Grant funds from this program shall be used to support only those activities and services specified and agreed to in the contract between the subgrantee and the division. The contract shall identify specific cost categories against which all allowable costs must be consistently charged.

31.13(2) Funds appropriated for this program shall not be expended for supplantation of federal, state, or local funds supporting existing programs or activities. Instructions for the application and acceptance of competitive grants, formula-based allocations, and sole source contracts may specify other cost limitations including, but not limited to, costs related to

political activities, interest costs, fines, penalties, lawsuits or legal fees, and certain fixed assets and program equipment.

421—31.14(216A, 232) Redistribution of funds. The division reserves the right to recapture and redistribute awarded funds based upon projected expenditures if it appears that funds shall not be expended by a subgrantee according to the conditions of the subgrantee's contract. The chairperson shall accept or deny a request and shall inform the individual making the request and the division of the decision no later than two business days in advance of the meeting using the same method of communication through which the request was received, followed by a written confirmation via U.S. postal service. The chairperson has sole discretion to accept or deny a request to appear on the agenda; however, denial of a scheduled time on the agenda does not preclude a member of the public from participating in the public comment section of a meeting.

40.4(5) Substantial alterations to a published draft commission agenda shall be subject to an affirmative vote of the majority of a commission.

40.4(6) Positions of the commission, and publically communicated messages regarding those positions from the commission, require an affirmative vote of the majority of a commission in a public meeting.

The division shall compile all recommendations on behalf of the commissions into one document for presentation to the department, board, legislature and Governor by November 15 of each even numbered year.
