Facility Juvenile Reentry System (JReS) Questionnaire

Document Date: August 2019

If there are questions regarding completion of this report, or the requested provision of information, please contact Dave Kuker (Dave.Kuker@iowa.gov or 515 281-8078) at Criminal and Juvenile Justice Planning.

1. Did you work with ISU to complete a facility level schematic? If “no” please explain. Otherwise, a finalize copy of your schematic will be provided by RISE/ISU.

2. What new or changed policies, practices, procedures have been enacted as a result of JReS. Please provide electronic copies of those materials accordingly.

3. As a result of JReS have training efforts for new/existing staff changed? Please briefly describe.

4. Is there a regular date/time (at least monthly) when IWD/IowaWorks staff work with youth in your facility? Is that established in policy? If “yes” please provide a copy of that policy. If “no” please explain?

5. Is there a regular date/time when Vocational Rehabilitation Services (IVRS) staff (at least monthly) work with youth in your facility? Is that established in policy? If “yes” please provide a copy of that policy. If “no” please explain?

6. How often do your staff have contact with youth’s returning school district throughout youth’s placement (i.e. weekly, monthly, periodically)?

7. Is your facility routinely receiving information from the Iowa Delinquency Assessment on all juvenile justice admissions? Is there unique information your facility is regularly receiving at admission of relevance to reentry that you would like to share (please provide)?

(over)

8. On what % of juvenile justice system youth are FTDM/YTDM's (ages 16 and older) being performed?

9. Does your facility have staff trained as FTDM/YTDM facilitators? How many?

10. Please briefly describe your facility's efforts to engage families/guardians of placed youth?

11. Are there data being collected as part of your reentry efforts? This could include number of YTDMs, referrals to IHH, IASN, IWD or IVRS, contact with returning schools, number of family contacts/visits, etc. If so, please provide a sample file of performance outcome data for juvenile justice system youth released in state fiscal years (July thru June) 2017 thru 2019. CJJP can help analyze and assist with reporting of data.

If you are not currently doing collection data, can CJJP be of any assistance to get this started? Data collection will help ensure the provision of information and the good work regarding reentry.

Please work with Laura Roeder-Grubb (Laura.Roeder-Grubb@iowa.gov or 515 242-5042) for the submission of those data in a confidential format.
