BUILDING BETTER BOARDS

Please join us for a free training session to build non-profit boards that better represent our diverse community. This series of educational sessions seeks to empower, educate and connect members of underrepresented populations for service on non-profit boards.

This event is for you if:

- You currently serve or aspire to serve on a non-profit board
- You lead or serve a non-profit board and want to include more diverse perspectives in your organization's leadership

If you attend you will:

- Receive training on effective board service
- Learn from experienced board members about their experience being a minority perspective on a board
- Network to connect aspiring community leaders from underrepresented populations with groups serving the Greater Des Moines community
